Dell 19" Professional LCD Monitor w/4-Port USB Hub VGA DVI  
P190St Product Overview The Dell P190S Professional LCD Monitor enhances your viewing experience with its exceptional clarity and vibrant images. The monitor offers blazing response time of 5 ms with less smearing and ghosting to give you crisp and clear images. Its 800:1 Contrast Ratio results in excellent color accuracy and uniformity. The P190St uses DVI-D designed to give you jitter-free exquisite images along with a resolution of up to 1280 x 1024 pixels. The Dell P190S is equipped with an adjustable stand that allows comprehensive flexibility of height adjustability swivel and tilt for enhanced viewing angle. Equipped with 4 USB 2.0 high speed ports (USB Cable is included) for easy access to connect peripheral devices the monitor sports a slim black bezel designed to fit into most working environments and on most desktops. In addition the panel can be wall-mounted thanks to its easy display detachment functionality. Dell-branded monitors undergo exhaustive testing for performance reliability durability and compatibility with Dell systems.
